Planet Coffee Roasters, Inc.

Dear Sir / Madam:

Thank you for giving Planet Coffee Roasters, Inc. opportunity introduces our coffee to your business. We are confident that you will be very satisfied with the services that we offer if you order coffee from Planet Coffee Roasters, Inc.

Planet Coffee Roasters, Inc. is neither a wholesaler nor distributor. We roast and pack the coffee here in U.S! We are in the coffee business over 18 years! And our coffee has been using nationwide in coffee shops, restaurants, supermarkets, bakery, donut, bagel shops as well as for office coffee of professional offices, beauty salons, hotels, churches ... and more. We survive our business based on the quality – the tasting, not the price (but the price is very low too!).

Planet Coffee Roasters, Inc. purchases only the finest specialty green coffee bean from around the world. Using our years of roasting experience and industry knowledge, the Planet Coffee Roasters's staff is willing to aid all of our customers in selecting a single origin offering or blend that works best for their business.

As your needs change, we will be happy to help you evaluate those needs and offer you free coffee equipment with the repair services that will help you achieve your new goals.

If you need more information please call 1-888-461-2679.

Sincerely,

Planet Coffee Roasters, Inc.

217 S. Ninth Ave., La Puente, CA 91746.
Tel. 1-888-461-2679 / Fax. 626-336-0547.

ESPRESSO

Espresso is a quick coffee brewing method that was conceived and developed using dark roast coffees. The extra time in the oven ruptures the cell structure of the bean, allowing a complete, fast, flavor extraction. A very dark roast, but less dark than French Roast.

Planet Coffee Roasters, Inc.

FRENCH ROAST DARK

Light French Roast is also known as Dark Roast. This coffee has a robust, smooth taste with no bitterness. The most popular dark roast: smooth, rich, smoky flavor with spicy characteristics and surface oils for a perfect after dinner drink. This is an extremely strong coffee that is often used for making espresso type drinks.

Planet Coffee Roasters, Inc.

ITALIAN ROAST

A term applied to coffee roast that is darker than French Roast. As the name connotes, it is frequently used by Italians, but also by many other coffee producing countries. Italian Roast produces coffee beans ranging from dark brown in color with rich, bittersweet flavors to nearly black with a burned flavor.

Planet Coffee Roasters, Inc.

DOUBLE FRENCH

Our darkest roast! Very smooth, medium bodied, spicy, and smoky. The beans have an almost black and decidedly oily appearance. The highest quality beans for this French Roast are custom blended from two types of beans, and then slow roasted until the oils just start to appear on the beans. This develops the darkest richest flavor possible.

Double French 1 lb. bag

Product ID (Whole Bean) : DF16W

Product ID (Ground) : DF16G
