FRENCH VANILLA

Our darkest roast! Very smooth, medium bodied, spicy, and smoky. The beans have an almost black and decidedly oily appearance. The highest quality beans for this French Roast are custom blended from two types of beans, and then slow roasted until the oils just start to appear on the beans. This develops the darkest richest flavor possible.

French Vanilla 1 lb Bag

Product ID (Whole Bean) : FV16W
Product ID (Ground) : FV16G
Weight : 1 lb (16oz)

Case Count: 10/box
